16:15 – 17:00 Satellite symposium MSD	Advancing HIV care: Individualized approaches for people living with HIV in Romania Prof. Dr. Anca Streinu-Cerel (Romania) Prof. Dr. Miłosz Parczewski (Poland)
17:00 – 17:30 Satellite symposium El Pharma	Patient voice in HIV clinical trials: Relevance and impact of PROs Prof. Dr. Oana Săndulescu
17:30 – 17:45	Break
17:45 – 19:30 Scientific session	Infectious diseases science to policy roundtable – part 2 Chairs: Prof. Dr. Egidia Miftode, Conf. Dr. Violeta Tincuța Briciu, Dr. Sorin Petrea
17:45 – 17:55	Keynote lecture: Key considerations regarding drug-drug interactions (DDIs) for achieving long-term therapeutic success in HIV management Prof. Dr. Gordana Dragovic Lukic (Serbia)
17:55 – 18:05	Keynote lecture: Clinical perspectives on biologic therapy in people living with HIV Prof. Dr. Manuela Arbune
18:05 – 18:15	Keynote lecture: Children perinatally exposed to HIV but uninfected: A distinct pediatric phenotype? Dr. Tudor Fleșeriu, Prof. Dr. Anca Meda Văsieșiu
18:15 – 18:25	Keynote lecture: Obesity in adults – risk factor in infectious diseases Prof. Dr. Cătălina Luca
18:25 – 18:35	Keynote lecture: Infectious risk in migrating populations Conf. Dr. Violeta Tincuța Briciu
18:35 – 18:45	Keynote lecture: Colistin resistance in Enterobacterales: From intestinal microbiota to therapeutic decision-making Prof. Dr. Egidia Miftode, Dr. Larisa Miftode
18:45 – 18:55	Keynote lecture: Atypical pneumonia in children from South-East of Romania Prof. Dr. Simona Claudia Cambrea

Infectious Diseases and HIV Dialogues

7th edition | 26-28 March 2026 | Bucharest, Romania

Constantin Stere Hall

Conference with international participation

Thursday, 26 March 2026	
Time	Session title
18:55 – 19:05	Keynote lecture: Management of chronic viral hepatitis B, C, and D in the Republic of Moldova: progress, challenges, and future perspectives Prof. Dr. Gheorghe Plăcintă (Rep. Moldova)
19:05 – 19:15	Keynote lecture: Microbiota – role in infectious pathology Prof. Dr. Carmen Manciu
19:15 – 19:30	Panel discussion Chairs and presenters

- Day 2 -

Friday, 27 March 2026	
Time	Session title
09:00 – 10:15 Scientific session	Innovations in HIV prevention, treatment, and patient-centered care Chairs: Assoc. Prof. Dr. Casper Rokx, Prof. Dr. Voichița Lăzureanu
09:00 – 09:20	Keynote lecture: Bridging fundamental and clinical research in HIV cure Assoc. Prof. Dr. Casper Rokx (The Netherlands)
09:20 – 09:30	DNA and chromatin landscape in HIV infection Dr. Anna Karina Felder (The Netherlands)
09:30 – 09:45	Keynote lecture: Standards of care for infants, children and young adults living with HIV – the road to zero transmission by 2030 Dr. Mariana Mărdărescu
09:45 – 10:00	Keynote lecture: Integrating metabolic care pathways in the management of HIV Prof. Dr. Valeriu Gheorghîță
10:00 – 10:15	Panel discussion Chairs and presenters
10:15 – 11:25 Satellite symposium Gilead Sciences Romania	Driving excellence in HIV management: From resistance science to clinical practice Chair: Prof. Dr. Oana Săndulescu (Romania) Speakers: Assoc. Prof. Dr. Juan Ambrosioni (Spain), Prof. Dr. Cristiana Oprea (Romania)
11:25 – 11:45	Break

Infectious Diseases and HIV Dialogues

7th edition | 26-28 March 2026 | Bucharest, Romania

Constantin Stere Hall

Conference with international participation

Friday, 27 March 2026	
Time	Session title
11:45 – 13:00 Scientific session	Implementing innovation: From lab to bedside and health systems perspectives in HIV and ID care Chairs: Assoc. Prof. Dr. Tristan Barber, Prof. Dr. Carmen Dorobăț
11:45 – 12:00	Keynote lecture: The future of ART Assoc. Prof. Dr. Tristan Barber (UK)
12:00 – 12:15	Keynote lecture: What is the role of EU in accelerating the HIV response? Dr. Jean-Elie Malkin (France)

12:30 – 12:40	Keynote lecture: Thirty years of experience with people living with HIV at Casa Doru: narrative of care, stories of survival, loss, and therapeutic progress Prof. Dr. Cristiana Oprea (Romania)
12:40 – 12:50	Keynote lecture: Profile of HIV late diagnosis: Characteristics over the last decade Prof. Dr. Carmen Dorobăț (Romania)
12:50 – 13:00	Panel discussion Chairs and presenters
13:00 – 14:00 Satellite symposium El Pharma	Now is the time to treat ahead Dr. Eliza Daniela Militaru Lect. Dr. Ana Maria Tudor
14:00 – 14:40	Lunch break
14:40 – 14:50 Satellite symposium Elta 90	HIV sequencing in the Republic of Moldova: challenges and perspectives Dr. Ecaterina Noroc (Republica Moldova)
14:50 – 15:20 Scientific session	Keynote lecture: From emergence to response: Strengthening global systems against infectious threats Prof. Dr. Yazdan Yazdanpanah (France)
15:20 – 16:30 Scientific session	Antimicrobial resistance: Current challenges and evolving strategies in bacterial infections (session in collaboration with REVERSE project) Chairs: Prof. Dr. Adriana Hristea, Assoc. Prof. Elena Carrara
15:20 – 15:40	Keynote lecture: REVERSE-ing the trend – a large collaborative European project to reduce multidrug resistant bacterial infections Dr. Ashlesha Sonpar (Switzerland)

Infectious Diseases and HIV Dialogues

7th edition | 26-28 March 2026 | Bucharest, Romania

Constantin Stere Hall

Conference with international participation

15:40 – 16:00	Keynote lecture: Implementation strategies for antimicrobial stewardship within the REVERSE framework Assoc. Prof. Elena Carrara (Italy)
16:00 – 16:10	Oral presentation: Management of infections caused by carbapenem-resistant Gram-negative bacteria: comparative effectiveness of novel and alternative antimicrobial combinations Assist. Univ. Dr. Cristian Niculae (Romania)
16:10 – 16:20	Oral presentation: The impact of empirical antibiotic therapy guided by rectal Gram-negative colonization in patients with febrile neutropenia: data from Fundeni Institute cohort, REVERSE project Dr. Lăcrămioara Mohorea (Romania)
16:20 – 16:30	Panel discussion Chairs and presenters
16:30 – 17:00	Break
17:00 – 17:30 Satellite symposium SOBI	Cefiderocol: A strategic answer to antimicrobial resistance Prof. Dr. Adriana Hristea
17:30 – 17:45 Satellite symposium Alfasigma	Implications of the polymorphism of non-systemic intestinal antibiotics in the development of AMR Prof. Dr. Oana Săndulescu
17:45 – 18:00 Satellite symposium Terapia	Therapeutic approaches in infectious and non-infectious acute diarrhea Prof. Dr. Anca Streinu-Cercel
18:00 – 18:15 Satellite symposium Althea	Controlling urinary pH – essential approach for sustaining therapeutical efficiency in UTIs Prof. Dr. Oana Săndulescu
18:15 – 18:35 Scientific session	Keynote lecture: Invisible threats, visible action: Reinventing infection prevention and control Dr. Guillaume Mellon (France)
18:35 – 18:50 Satellite symposium Mediclim	Nextgen antimicrobial stewardship: the bridge between diagnostic insights and clinical decision Mihai Ghetu
18:50 – 20:00 Scientific session	One Health approaches to vector-borne disease prevention and control Chairs: Prof. Dr. Anca Streinu-Cercel, Prof. Dr. Yazdan Yazdanpanah (France)
18:50 – 19:05	A gentle introduction to viral WGS bioinformatics: What happens after sequencing Liviu Rotaru
19:05 – 19:20	EURGen-Net: Genomic-based surveillance of multidrug-resistant bacteria of public health importance Lect. Dr. Dragoş Florea

Infectious Diseases and HIV Dialogues

7th edition | 26-28 March 2026 | Bucharest, Romania

Constantin Stere Hall

Conference with international participation

19:20 – 19:30	The silent clock's toll in endocarditis – insights on the impact of surgical timing on survival and relapse <u>Adelina Maria Radu</u> , Irina Florentina Talpoși, Raluca Elena Țoțoiu, Roxana Berbecaru, Valeriu Gheorghită, Oana Săndulescu
19:30 – 19:40	Evaluation of microorganisms and risk factors of pressure ulcer infections affecting prognosis in palliative care unit <u>Didem Çelik</u> , Hande İleri, Tunzala Yavuz, Yasemin Kılıç Öztürk
19:40 – 20:00	Panel discussion Chairs and presenters

- Day 3 -

Saturday, 28 March 2026	
Time	Session
08:30 – 09:30 Scientific session	Connecting diagnostic science with clinical decision-making Chairs: Prof. Dr. Adriana Hristea, Assist. Lect. Simona Paraschiv, Dr. Raluca Pătrașcu
08:30 – 08:45	Keynote lecture: Bedside relevance of molecular diagnosis in tuberculous meningitis Prof. Dr. Adriana Hristea (Romania)
08:45 – 08:55	Molecular epidemiology, genetic variability and evolution of human T-lymphotropic virus type 1 (HTLV-1) among Romanian patients with adult T-cell leukemia (ATL)/lymphoma disorders: What genomic data can tell us Ovidiu Vlaicu (Romania)
08:55 – 09:05	Integrating high resolution assays into clinical practice for improved HIV patient care (ROGEN) Assist. Lect. Simona Paraschiv (Romania)
09:05 – 09:15	Metformin as a latency-reversing agent: Repurposing an old antidiabetic drug for HIV cure strategies <u>Marian Neculae</u> , Christ Dominique-Ngassaki Yoka, Soumia Khalfi, Ramon Edwin Caballero, Jonathan Dias, Jean-Pierre Routy, Petronela Ancuta
09:15 – 09:30	Panel discussion Chairs and presenters
09:30 – 10:30 Scientific session	Pediatric infections: Clinical and public health approaches Chairs: Prof. Dr. Anca Drăgănescu, Prof. Dr. Doina Anca Pleșca
09:30 – 09:45	Cardiac involvement in pediatric tuberculosis Lect. Dr. Cristina Rădulescu

Infectious Diseases and HIV Dialogues

7th edition | 26-28 March 2026 | Bucharest, Romania

Constantin Stere Hall

Conference with international participation

Saturday, 28 March 2026	
Time	Session
09:45 – 10:00	Case-based insights into pediatric infective endocarditis Assist. Lect. Dr. Cristiana Voicu, Dr. Alin Nicolescu, Prof. Dr. Eliza Cinteza
10:00 – 10:15	The silent backstage work: The impact of catch-up strategies and GP counseling against post-pandemic vaccine fatigue. Spontaneous compliance vs. medical intervention. Dr. Valeria Herdea, Carmen Raluca Ghionaru, Liliana Barbacariu, Ileana Brinză, Simona Cioc, Liliana Chițanu, Laura Comnea, Crenguța Lanbă, Eduard Egri, Claudia-Felicia Pop, Petruța Tarciuc, Carmen Mirăuță, Eugene Leibovitz, Gheorghită Jugulete
10:15 – 10:30	Panel discussion Chairs and presenters
10:30 – 10:45 Satellite symposium Terapia	Modern approaches in the pathogenic and supportive treatment of viral hepatitis Prof. Dr. Oana Săndulescu
10:45 – 11:00	Break
11:00 – 11:45 Scientific session 	Viral hepatitis in focus: From diagnosis to treatment to elimination (ESGVH session) Chairs: Prof. Dr. Oana Săndulescu, Prof Dr. Anca Streinu-Cercel
11:00 – 11:15	Keynote lecture: How to best use molecular tools in the clinic: principles and practice of diagnostic stewardship in viral hepatitis Assoc. Prof. Snježana Židovec Lepej (Croatia)
11:15 – 11:30	Oral presentation: Laboratory signatures of HDV infection: Prevalence and molecular epidemiology of HDV in Romania Leontina Bănică (Romania)
11:30 – 11:45	Panel discussion Chairs and presenters
11:45 – 12:00 Scientific session	Communicating research results: Standards, structure, and scientific writing Prof. Dr. Oana Săndulescu, Eliza-Mălina Davidoaie
12:00 – 13:00 Satellite symposium Gilead Sciences Romania	Bulevirtide – the path forward in the treatment of hepatitis delta Prof. Dr. Anca Streinu-Cercel Assoc. Prof. Dr. Florin Căruntu
13:00 – 13:40	Lunch break
13:40 – 14:00 Educational session with unconditional support from Pfizer	Prevention strategies for respiratory infections in immunocompromised adults Prof. Dr. Oana Săndulescu

Infectious Diseases and HIV Dialogues

7th edition | 26-28 March 2026 | Bucharest, Romania

Constantin Stere Hall

Conference with international participation

Saturday, 28 March 2026	
Time	Session
14:00 – 14:20 Satellite symposium Sanofi	Influenza prevention in the elderly. Consolidated evidence from the Flunity-HD study Prof. Dr. Oana Săndulescu
14:20 – 14:40 Satellite symposium El Pharma	The role of shingles vaccination in protecting the elderly and patients with immunodeficiencies Prof. Dr. Victoria Aramă
14:40 – 15:10 Satellite symposium MSD	HPV vaccination – important considerations for practice Prof. Dr. Victoria Aramă
15.10 – 15.40 Satellite symposium MSD	Prevention of pneumococcal disease in adults - a priority for public health Prof. Dr. Valeriu Gheorghîță
15:40 – 16:00	Break
16:00 – 16:40 Satellite symposium AstraZeneca	Lessons from UK’s childhood influenza vaccination programme – and why it matters Dr. George Kassianos (UK) Clinical experience from the latest influenza season. Impact and directions for the future Prof. Dr. Anca Streinu-Cerel (Romania)
16:40 – 17:30 Scientific session	Vaccination in comprehensive infectious disease prevention and beyond (RAISE Expert Group Session) Chairs: Dr. George Kassianos (UK), Assoc. Prof. Dr. Gindrovel Dumitra (Romania)
16:40 – 16:55	Keynote lecture: From hesitancy to confidence: Optimizing vaccine uptake across different patient groups Dr. George Kassianos (UK)
16:55 – 17:10	Keynote lecture: Romania’s immunization landscape in 2026: Measuring progress and closing gaps Assoc. Prof. Dr. Gindrovel Dumitra
17:10 – 17:30	Panel discussion Chairs and presenters
17:30 – 18:30 Scientific session	The future of infectious diseases in Romania Chairs: Prof. Dr. Oana Săndulescu, Prof. Dr. Anca Streinu-Cerel
17:30 – 17:40	Experience from the vaccination center in the National Institute for Infectious Diseases “Prof. Dr. Matei Bals” Asist. Univ. Dr. Adrian Gabriel Marinescu
